A Listings Can consumers find your business? How is this grade calculated?

Your listings are the virtual doorway to your business. You're listed on some of the sites you need to be on, but there's work to do. You don't want customers to find your competitor's listings instead of yours, do you? Without correct listings, your business is invisible to your customers.

Listing Presence

Total number of online listings found or sites monitored for your business

Your Found Listings		17
Available Listing Sites		31
	Your Business Number of Listings	Industry Average Percent of Profile
Google	1	View Example 85.48%
Facebook	2	View Example 59.4%
Foursquare	1	View Example 68.32%
Twitter	1	View Example 18.7%

Listing Accuracy

Percentage of accurate listings found for your business

Your Accurate Listings	35.29%
Industry Avg Accurate Listings	26.3%

C Reviews Do consumers trust your business? How is this grade calculated?

You rock!! You get lots of reviews, and customers are saying good things. You can't afford to monitor the reviews and respond to them yourself, though. You're losing out on sales to your competitors. Management can turn all your hard work's all over you about new reviews so that you can address negative reviews and share positive reviews promptly.

Online Reviews Found on Select Sites

Information about your business's online reviews

F Advertising Do consumers know about your business? How is this grade calculated?

Potential customers are within your reach, whether they're searching Google, scrolling through Facebook, or browsing other sites around the web. With digital advertising, you can put your business in the spotlight so that those people consider you before your competitors.

Recommended Keywords

Top 5 keywords for your business

Advertise on Google and capture customers who are searching precisely for the products or services your business offers.

Figures shown assume a maximum cost per click (CPC) of $5.00 with an unlimited budget. Keywords are generated using content gathered from your website. Actual results may vary due to specific advertising budgets, goals, and methods used.

Campaign Performance

Here's how your ad campaigns compare to those of your competitors

Overlap	Keywords	Clicks	Budget
omegadentists.com	398	1350	$4,608
memorialfamilydental.com	75	183	$400
qualitydentalteam.com	100	854	$3,004
districtdentalhouston.com	45	345	$690
briarkidsmedds.com	140	535	$1,063

Retargeting

Information about your business's retargeting

Great work!

It looks like you're taking advantage of retargeting!

Make sure to test your ads frequently so you know which ones work best with your customers.

Want to run more effective ad campaigns and get more customers in the door? We can help!

W Website Can your business website convert visitors into customers? How is this grade calculated?

Great website! If it ain't broke, don't fix it. However, in the case of the first page of Google, more really is better. Let us help you own more spots on that first page!

Mobile

Overall performance of your website on mobile

Speed

1. **Eliminate render-blocking JavaScript and CSS in above-the-fold content**
   Your page has 2 blocking script resources and 3 blocking CSS resources. This causes a delay in rendering your page.
   Show How To Fix

2. **Leverage browser caching**
   Setting an expiry date or a maximum age in the HTTP headers for static resources instructs the browser to load previously downloaded resources from local disk rather than over the network.
   Show How To Fix

Show All

Desktop

Overall performance of your website on desktop

Speed

1. **Optimize images**
   Properly formatting and compressing images can save many bytes of data.
   Show How To Fix

2. **Leverage browser caching**
   Setting an expiry date or a maximum age in the HTTP headers for static resources instructs the browser to load previously downloaded resources from local disk rather than over the network.

Homepage Content

Key business information found on your homepage

	Your Business	Industry Average
Homepage Size	1987KB	2662KB
Phone # on homepage	No Match	56.84%
Address on homepage	Found	49.57%
Facebook on homepage	Found	68.8%
Twitter on homepage	Found	43.83%
Instagram on homepage	Found	6.2%

Video on Homepage

Do you have a video on your homepage?

You are losing out on conversions from your website!

It looks like you don't have a video on your homepage.

Businesses with a video on their homepage have seen up to 41% more traffic from search engines than businesses that don't. Consumers are also up to 85% more likely to buy a product after a video about that product. That's a lot of revenue you're missing out on!

Ready to further enhance your website and boost online engagement? Find out how!
